

Chat to Baltic Crew during your visit. They know about our exhibitions and building. You can find them on every floor.

We can adjust the sound and lighting in some of our exhibitions.

We have large print guides for our exhibitions too.

Chat to Baltic Crew about how we can make your visit right for you.

Join a free exhibition tour at 11:30, 13:30 and 15:30 - ask Baltic Crew for more information about today's tours.

Relax in our Front Room with our free wi-fi and donation hot/cold drinks. Eat your own packed lunch here too.

Front Room is on our Mezzanine level, accessible by lift from Ground Floor by the Hello Desk or turn left at the top of the steps.
