B. INVOLVED

BALTIC is a major contemporary art gallery and registered charity with a passion for new and pioneering ideas. We invite artists from all over the globe to create new work especially for our audiences – creating first-time shows which go on to be seen around the world.

Entry is free to all and we attract over 500,000 visits each year – over 7 million since we opened to the public in 2002.

Learning and engagement lie at the heart of BALTIC and we deliver over 266,500 experiences for people of all ages through our imaginative programmes for schools, communities and the general public each year.

B. SEEN

Enhance your B.Partner package with our sponsorship and corporate social responsibility opportunities.

BALTIC accommodates some of the biggest ideas in contemporary art and there are many ways that you can be part of our story too. Why not sponsor a season of exhibitions or family activities, host a public event or celebrate your business with a party?

Our dynamic programme of ever-changing exhibitions and creative activities offers targeted opportunities for sponsorship and we welcome the chance to work with businesses to create bespoke packages that meet your needs.
